

NOTICE OF SOLE SOURCE PROCUREMENT

ESRI

RFI 2023112

Nashville MTA d/b/a WeGo Public Transit (“WeGo” or the “Agency”) intends to establish a sole source procurement with Esri to provide to provide technical advisory and consulting services, including training, through an annual subscription to the Esri Advantage Program to assist in maximizing the use of the Esri platform and enhance the Agency’s application of geospatial technology.

Companies that believe they can compete for this requirement are required to submit via email a brief statement (not more than 10 pages) documenting the compatibility of the company’s offering with the Esri Advantage Program and the Agency’s current use of Esri software.. The statement and any other questions regarding this sole source procurement should be directed to Denise.Richardson@nashville.gov by 3:00 PM CT July 24, 2023.

WeGo reserves the right to proceed with its current vendor if it is determined that no other entity has the expertise, services, software and schedule that meet the Agency’s requirements.
